Dissemination Conference:
“Furthering the Role of Technology Assessment in Policy-making”

27th November 2003
Flemish Parliament, Brussels
TAMI dissemination conference will bring together European TA experts and national policy makers to discuss the results of the project and the role of Technology Assessment in S&T policymaking.

The dissemination conference is divided into two major parts: in the first part the results of the two project groups will be presented and discussed; in the second part, three central issues arising from the project results will be commented by invited experts and discussed with the audience.

Programme: Thursday, 27th November 2003
